Barbara Slate is a cartoonist who has written, drawn and created over 300 stories—for Marvel, DC Comics, and Archie Comics. Barbara's art has been described by the *New York Times* as "*Bold, imaginative figurative work, somewhat quirky and offbeat.*" She is featured as one of the century's most important women cartoonists in "A Century of Women Cartoonists."

Maybe your interest is a Super Hero, your own life story, or you-know-it's-in there-*somewhere*-dying to get out. Don't worry if you think you can't draw. Barbara will teach you how to develop characters, plot stories and offer tips on the creative process. "Bring your work!" she says, "And if you don't have any, let's get started!"
